Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

About The Book Honor Gabriel Riqueti, Comte de Mirabeau, was born at Bignon, near Nemours, on March 9, 1749, and died at Paris on April 2, 1791. His father was a most eccentric and tyrannical representative of the French aristocracy, and Honor, a younger son, inherited something of his violent temperament, but was endowed with real genius. Entering the army, young Mirabeau soon displayed an erratic disposition by eloping with the young wife of an aged nobleman. He fled to Holland, but was captured and imprisoned. Being at length liberated, he turned to literature and politics, and soon gained celebrity in both. His magnificent oratorical powers brought him rapidly to the front in the period immediately anterior to the outbreak of the Revolution. Mirabeaus Memoirs, by Himself, his Father, his Uncle, and his Adopted Son, published in eight volumes in 1834, contain no original writings by Mirabeau himself, except in the shape of extracts from his speeches, letters, and pamphlets. The following epitome has been prepared from the French text. For more eBooks visit www.kartindo.com This item ships from La Vergne, TN. Paperback.
