

Pennsylvania Genealogies: Scotch-Irish and German (Classic Reprint)

By William Henry Egle

Forgotten Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Pennsylvania Genealogies: Scotch-Irish and German by William Henry Egle is an artful attempt by Eagle to address a grossly neglected area of this history of his great state. For years Egle labored over this publication and his dedication and passion ring through each well-researched page. The book serves as a complete reference for several groups and families found in historic Pennsylvania with Scotch-Irish and Germanic roots. With this work, Egle hopes to provide readers with a resource that will allow them to investigate their family trees and the roots that link them back to Scotland, Ireland, and Germany. Some of the families in the text have roots reaching all the way back to the beginning of United States history with records to support their level of impact on the development of the nation. In addition, some of the families that Egle covers had yet to ever be discussed in a published work and therefore established vital information for researchers interested in these families and their histories in the U.S. Egle also links several families to well...
