ROMANCE IN MY RAMBLER

AUTHORHOUSE, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.David Bourbon faces challenges as a kid growing in the 1960s. He learns about life and death at age five, and again as a teenager. David grows up like other baby boomers in an era of change-The Cuban Missile Crisis, school integration, Sputnik, The Beatles, The Pill, and an emerging war in Vietnam. Childhood experiences forge his views on a range of issues from nature to war. He feels the pain of a traumatic event that forever changes how he treats other people. His grandparents and WWII parents provide an anchor for life's challenges. On the first day of football practice in August 1962, a line of black football players faces stare at a row of white faces. David and his teammates are standing in the line of white faces. An all-black Dunbar High School is integrating with an all-white Hopewell High School. We wonder how this experiment will work out. Who will start and who will quit? Are we stronger as one team or separate? Can we win the state high school football championship? And how will we get along off the football field? At sixteen, David's life changes when his dad drives home in a new 1963 Rambler. This event triggers several high school romances-1960s style. David's romances include a few fumbles along the way as he tries to reconcile life forces like love, sex, and luck. The Rambler becomes a high school legend with the help of a beautiful auburn hair young woman named Anna. An Ann Margret lookalike, Anna propels David to manhood. The quest to win a state high school football championship endures several twists of fate. David confronts...
