Rudolf Steiner Press. Paperback. Book Condition: new. BRAND NEW, From the Course of My Life: Autobiographical Fragments, Rudolf Steiner, Your favourite occupation? Pondering and musing. Your idea of happiness? Pondering and musing. Your most extreme aversion? Pedantry and a sense of order. Of what are you afraid? Punctuality. The above quotations are extracted from a questionnaire filled in by a young man in his late twenties. That person, Rudolf Steiner, was later to found the spiritual science of anthroposophy and the many practical disciplines that arose from it. Eventually, he would write his Autobiography, although its composition would be interrupted by his unexpected death. This little volume is an essential complement to Steiner's unfinished autobiography. It gathers a wealth of personal testimonies - including lectures, resumes, notebook entries, a questionnaire, as well as biographical notes written for Edouard Schure - much of which has not been previously published in English. The various materials, together with rare photographs, have been expertly collated and introduced by Walter Kugler.
