Oh, the beautiful flow of God, to experience the harmony of his love going out to all must be amazing! When I say the flow of God, I am talking about the flow of the Trinity. That is the movement of the Holy Spirit at the command of the Father, carrying the will of the Father to Jesus, and then Jesus could add to it, and the Spirit would carry it back to the Father; this cycle of conversation goes on until they are satisfied, then the word of the will of the Father goes out through Jesus by the Holy Spirit to the angels to be carried out. This book is an awesome revelation that God has given me right from the book of Genesis-for the next step in his redemptive plan for everyone. Strap in as these pages reveal the truth in God s word that will cause a paradigm shift in your thinking about the divine order of God for life on earth.
