Misunderstandings from strangers are difficult enough to deal with but when misunderstanding is coming from family members it is much harder to cope with. Victims of Asperger s Syndrome are often victims of misunderstanding and ridicule. Read this book to gain a better understanding of this syndrome and how a mother helps to find ways for her son to live a more normal life. As you follow this mother and son s amazing journey, you will also learn about many ancient Chinese legends, history, culture.and much more, such as the characteristics of this Syndrome, the details of how they explore the natural ways without any side effects to recover gradually.
