ENTERPRISE RISK MANAGEMENT: A GUIDE FOR GOVERNMENT PROFESSIONALS

John Wiley & Sons Inc. Hardback. Book Condition: new. BRAND NEW, Enterprise Risk Management: A Guide for Government Professionals, Karen Hardy, Allen Runnels, Practical guide to implementing Enterprise Risk Management processes and procedures in government organizations Enterprise Risk Management: A Guide for Government Professionals is a practical guide to all aspects of risk management in government organizations at the federal, state, and local levels. Written by Dr. Karen Hardy, one of the leading ERM practitioners in the Federal government, the book features a no-nonsense approach to establishing and sustaining a formalized risk management approach, aligned with the ISO 31000 risk management framework. International Organization for Standardization guidelines are explored and clarified, and case studies illustrate their real-world application and implementation in US government agencies. Tools, including a sample 90-day action plan, sample risk management policy, and a comprehensive implementation checklist allow readers to immediately begin applying the information presented. The book also includes results of Hardy's ERM Core Competency Survey for the Public Sector; which offers an original in-depth analysis of the Core Competency Skills recommended by federal, state and local government risk professionals. It also provides a side-by-side comparison of how federal government risk professionals view ERM versus their state and local government counterparts. Enterprise Risk Management provides actionable guidance toward creating a solid risk management plan for agencies at any risk level. The book begins with a basic overview of risk management, and then delves into government-specific topics including: * U.S. Federal Government Policy on Risk Management * Federal Manager's Financial Integrity Act * GAO Standards for internal control * Government Performance Results Modernization Act The book also provides a comparative analysis of ERM frameworks and standards, and applies rank-specific advice to employees including Budget Analysts, Program Analysts, Management Analysts, and more. The demand for effective risk management...
