CONTINUATION OF THE SAME SUBJECT.--INQUIRY INTO THE PRISTINE FORM AND SIGNIFICATION OF THE SIGNS. The names of the egyptian months, which we now proceed to analyze, have been preserved in the works of greek authors of various ages; as well as in the idioms of the native Copts, and Egyptio-arabs, among whom they continued to be used in modern times. That they are the primitive egyptian appellations is, I believe, not disputed; and indeed is placed beyond a doubt, as well by the internal evidence which they themselves afford of their connexion with the ancient language and religion of the country, as by the constancy and harmony of the tradition, by which they have been handed down through ages as such. I have given below, in the notes, references to the authors in whose works the most important varieties of these...
