Harvard University Press. Hardback. Book Condition: new. BRAND NEW, Heroicus. Gymnasticus. Discourses 1 and 2: Discourses 1 and 2, Philostratus, In the writings of Philostratus (ca. 170-ca. 250 CE), the renaissance of Greek literature in the second century CE reached its height. His "Life of Apollonius of Tyana," "Lives of the Sophists," and "Imagines" reconceive in different ways Greek religion, philosophy, and art in and for the world of the Roman Empire. In this volume, "Heroicus" and "Gymnasticus," "two works of equal creativity and sophistication, together with two brief "Discourses" (Dialexeis), " complete the Loeb edition of his writings. "Heroicus" is a conversation in a vineyard amid ruins of the Protesilaus shrine (opposite Troy on the Hellespont), between a wise and devout vinedresser and an initially skeptical Phoenician sailor, about the beauty, continuing powers, and worship of the Homeric heroes. With information from his local hero, the vinedresser reveals unknown stories of the Trojan campaign especially featuring Protesilaus and Palamedes, and describes complex, miraculous, and violent rituals in the cults of Achilles. "Gymnasticus" is the sole surviving ancient treatise on sports. It reshapes conventional ideas about the athletic body and expertise of the athletic trainer and also explores the history of the Olympic Games and other major Greek athletic festivals, portraying them as distinctive venues for the display of knowledge.
