Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 336 pages. Dimensions: 8.0in. x 5.2in. x 0.8in. Is it the gentle caress of a hand That sly look you catch from the corner of your eye That blanket of warmth that is their body Perhaps love is the drug and the significant other your dealer. Always giving the good stuff, taking it away, and giving it back again. Its a love that makes her ache. And its a love that may just break her. As one woman navigates the most complex channels of the human heart, what could possibly keep her there Her Demise, the heartrending new love story by Aliah Uddin, probes the tumultuous paradox that is destructive love. This gripping, dramatic tale of jealous love is certain to provoke rage, sorrow, yearning, and sometimes, redemptive laughter. Mining the conflicting emotions of a romance that has come devastatingly undone, this debut novel offers an intimate portrait of one profoundly intimate connection that alternates between fiery passion and tormented prison. Interweaving the points of view of both paramours, the novel offers an inventive literary approach to exploring how destructive love comes into being. Fresh from a disappointing love affair, recent college graduate Sariah finds an unexpected intrigue on the streets of her native New York City when the handsome Preston approaches her. Though Preston is a committed womanizer who tosses out womens numbers as quickly as he gathers them, he falls in love with Sariah, who has spent the better part of her life feeling or being unwanted. As Prestons emotional engagement intensifies, so do his fits of jealousy and subsequent streaks of abuse. Her Demise charts the course of their union over several years, illustrating how Preston, little by little, is able to break...
