Brand New Book ***** Print on Demand *****.This book - the first in a planned series of ExportMED books on developing markets - describes and analyzes trends, key issues, and events in Brazil's medical devices sector, to assist U.S. small- and medium-sized enterprises (SMEs) in making educated business decisions about entering that market. Ms. Shaw attended the ABPVS International Regulatory Conference in Recife, Brazil, from September 3 - 5, 2003. In the body of the book, Brazilian terms are presented in English translation, accompanied occasionally by the original Portuguese words...
