Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

To Earth From Heaven is a companion book of Eminent Discovery - A Lifetime Of UFO Experiences. Both books convey an amazing personal story about the last half of the Twentieth Century, which mysteriously provided intense global UFO activity that involved many people. This is a story of intrigue and wonder that is told very sincerely by the experimenter. It is a sagareport of one mans authentic encounters that occurred from near his birth to age 48. . . in 1986, when he and the so-called Ets had a parting of the ways. While Eminent Discovery reveals what happened and how it happened in some detail, To Earth From Heaven leads you into the depths of probable and possible meaning. It is suggested that you read Eminent Discovery first. Johns story is substantiated by witnesses and many supporting facts and coincidental happenings. This includes very unusual historic occurrences and similar encounters experienced by others. His story also is supported by many respected professional researchers who have tested him and consulted with him personally. Reading both books can provide you insight into some of the important mysteries of life. . . science, religion and history. . . among many other things. Please join us on this astonishing real life adventure. It will surely change your perception of human reality on Earth since the beginning of time.
