

## Getting into the UK's Best Universities and Courses: The Insider Guide to Winning a Place at the UK's Best Universities (2nd Revised edition)

---

By Susanne Christian

Crimson Publishing. Paperback. Book Condition: new. BRAND NEW, Getting into the UK's Best Universities and Courses: The Insider Guide to Winning a Place at the UK's Best Universities (2nd Revised edition), Susanne Christian, If you've set your university goals very high, Getting Into the UK's Best Universities and Courses will enable you to maximise your chances of winning a coveted place at university. Offering course- and institution-specific advice and packed full of in-depth information not published anywhere else, this book answers a wide range of general and specific university questions such as: - What are the most competitive degree courses and best universities? -Does it matter if I choose a high-ranking university or course? -What graduate employment data is available and where do I find it? -How will the new A\* grade affect my application? -Does Cambridge automatically interview all applicants? -Will my AS grades/scores be taken into account? Competition for university entry has never been so fierce - 2010 saw an 8% increase in the number of full-time university applications (the biggest rise in eight years) and the trend is set to continue. Ambitious students need to ensure their university application is as carefully considered and as excellent as it...
