THREE LANGUAGE FORMULA: AN EDUCATIONAL PROBLEM

1991. Hardcover. Book Condition: New. 340 Since language is the foundation of all learning, the planning for teaching languages demands not only a scholarly but psychological approach, too. Though the three language formula is an official language policy of the Government of India, yet the fact cannot be denied that its impact on the general public should be assessed. The students, the teachers and the public men are directly or indirectly affected by such policies, especially when the curriculum is...
