101 PLACES TO HAVE SEX BEFORE YOU DIE

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, 101 Places to Have Sex Before You Die, Marsha Normandy, You remember your first, you remember your worst, and you should definitely remember some special moments in between. But you should also have a few memories of places where you've enjoyed "sleeping" with your partner that doesn't involve the same old place you wake up in every day. 101 PLACES TO HAVE SEX BEFORE YOU DIE provides readers with a list of real places where real people can have sex without too much difficulty (and it'll always be worth the trouble). In some instances there will only be time to round one of the bases (think "Drive-thru"); other suggestions will allow you time to re-enact that entire beach scene from From Here to Eternity(perhaps on your neighbour's kitchen floor). Each location in 101 PLACES TO HAVE SEX BEFORE YOU DIE will be accompanied by a box to check off once the reader has successfully completed the deed there, a place where they can mark whether or not they'd venture there again, and a "notes" section for commentary. In addition, helpful icons will indicate certain hazards or special considerations for each place (for instance, if there's a chance you might get arrested, if there are time constraints, if there's a risk of embarrassment, etc.). Whether you're feeling romantic, adventurous, sporty, lazy, or just plain naughty, this book is a must-have for anyone who enjoys a good romp in the hay (or in the reptile house at the zoo).
