His mother has died from illness and his father is presumed dead after disappearing into the desert when Chengli was a baby. Now thirteen, Chengli feels ready for independence. He is drawn to the desert, beckoned by the howling of strange winds and the hope of learning something about his father-who he was and how he died. Chengli joins the caravan to travel down the merchant route known as the Silk Road, but it is a dangerous life, as his father knew. The desert is harsh, and there are many bandits, particularly drawn to Chengli's caravan because a princess, her servants, and royal guards are traveling with them.
