

Gifted Education in Asia: Problems and Prospects

By -

Information Age Publishing, United States, 2015. Paperback. Book Condition: New. 235 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The book Gifted Education in Asia: Problems and Prospects is the first of its kind in terms of providing a critical assessment of the state of gifted education in nine representative countries or regions in Asia (Hong Kong, India, Japan, Mainland China, Saudi Arabia, Singapore, South Korea, Taiwan, and Turkey), five commentaries that put gifted education in a global context, and a conclusion chapter that provides a long-term projection of future developments in gifted education in an information age and knowledge economy in the 21st century, and what challenges and opportunities lie ahead for Asian countries. As Asia has become an economic powerhouse globally, and its education has also gained global attention (e.g., its stellar performance in international comparisons such as PISA), gifted education gearing toward the cultivation of the most precious human capital gains added importance. Authors of the 15 Chapter volume come from Asia, Europe, and North America, and they represent top experts in the field of education. The book is an authoritative source of knowledge for anyone interested in gifted education, talent development, and...
