*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## DON T FORGET THE SOAP: AND OTHER REMINDERS FROM MY FABULOUS FILIPINA MOTHER

Canlink Press, United States, 2013. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.At the center of many good stories - inspiring, entertaining, admittedly corny - is Marie Claire Lim Moore. She went on to study at Yale, climb the corporate ladder at Citi and jet set around the world. Don't Forget the Soap is a collection of anecdotes from different points in Claire's life: stories from the tight-knit Filipino community in Vancouver mix with memories of her move to New York, experiences at Yale and travels as a young executive. Underlying this narrative is the story of a global citizen who does not want to forget the fundamental values that come along with the immigrant experience as she and her husband raise their children in the increasingly glitzy expat bubble of Singapore. Her parents continue to remain a big influence in her life and her mother's reminders a grounding force. These stories will warm the heart and connect with people...
