

## Meta-Analysis with R: 2015

By Guido Schwarzer, James R. Carpenter, Gerta Rucker

Springer International Publishing AG. Paperback. Book Condition: new. BRAND NEW, Meta-Analysis with R: 2015, Guido Schwarzer, James R. Carpenter, Gerta Rucker, This book provides a comprehensive introduction to performing meta-analysis using the statistical software R. It is intended for quantitative researchers and students in the medical and social sciences who wish to learn how to perform meta-analysis with R. As such, the book introduces the key concepts and models used in meta-analysis. It also includes chapters on the following advanced topics: publication bias and small study effects; missing data; multivariate meta-analysis, network meta-analysis; and meta-analysis of diagnostic studies.

### Reviews

*The ideal ebook i actually study. It is among the most incredible book we have study. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Boyd Steuber**

*A must buy book if you need to adding benefit. Of course, it is actually perform, still an interesting and amazing literature. I am delighted to explain how this is basically the best book i actually have read through during my individual life and may be he best book for at any time.*
