BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 140 x 130 mm. Language: English . Brand New. What happens when you think you have it all, and then, suddenly it s taken away? Willa Chandler-Golden s father changed the world: with his self-help bestseller *Is It Really Your Choice? Why Your Entire Life May Be Out of Your Control*, millions of devoted fans found solace in the notion that everything happens for a reason. Though Willa isn t entirely convinced of his prophecies, she readily admits that the universe has delivered her a solid life: a reliable husband, a fast-paced career. Sure there are hiccups negative pregnancy tests, embattled siblings but this is what the universe has brought, and life, if you don t think about it too much, is wonderful. Then her (evidently not-so-reliable) husband proposes this: a two month break. Two months to see if they couldn t live their lives without each other. And before Willa can sort out destiny and fate and what it all means, she s axed from her job, her twelve-year-old nephew Nicky moves in, her ex-boyfriend finds her on Facebook, and her best friend Vanessa lands a gig writing for *Dare You!*, the hottest new reality TV show. And then Vanessa lures Willa into dares of her own dares that run counter to her father s theories of fate, dares that might change everything but only if Willa is brave enough to stop listening to the universe and instead aim for the stars.
