

The Indian Civil Judiciary in Making 1800-33

By Chittaranjan Sinha

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 1971. Hardcover. Book Condition: New. First. The pattern of British Indian administration was set during the East India Company's rule in the controlling Presidency of Bengal. It was also here that the model of the future Indian Judiciary was evolved between the years (1800-33), through a process of trial and error and through an ultimate fusion under Bentinck of British liberalism heralded by Cornwallis, with the indigenous tradition of despotism championed by distinguished Civilians like Sir Thomas Munro and Sir Charles Metcalfe. If Cornwallis's Governor-Generalship (1786-1793) is significant for the injection of liberal Whig concepts in the Indian administration, Bentinck's (1828-35), is no less epoch-making for the ultimate shredding of abstract notions in favour of pragmatic policies of administration. Between these two landmarks stretches an equally interesting period in which solutions to the shortcomings of Cornwallis's system were sought within the fold of Cornwallis's ideology. Never before has this formative epoch of Civil judiciary in India been analysed as vividly and in such minute detail as in The Indian Civil Judiciary in Making which is based upon original research in the archives of United Kingdom and India.

Reviews

The most effective pdf i possibly read. It is amongst the most amazing publication i actually have go through. You are going to like the way the author publish this pdf.

-- **Chelsea Durgan PhD**

I actually started off looking over this pdf. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
