

Global Education on Trial by U.S. College Professors

By Emmanuel Jean Francois

VDM Verlag Dez 2010, 2010. Taschenbuch. Book Condition: Neu. 221x152x28 mm. This item is printed on demand - Print on Demand Neuware - This book unveils the verdict of U.S. college professors about global education. It presents the findings from a nationwide study conducted about motivational factors and worldview dimensions associated with perceptions of global education initiatives by college professors in the United States. This is a must read for researchers, scholars, higher education leaders and administrators, and students who are interested in understanding the secret for internationalizing curriculum in post-secondary institutions. This book can help policy makers and college and university administrators adopt policies, which can create an environment that fosters global education engagement required to promote cross-cultural understanding, produce global competent graduates on the global market, and meet the challenges of a globally interdependent world. 352 pp. Englisch.
