Reviews

I actually started off looking at this pdf. It is one of the most amazing pdf i have got read. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, The Great Race: Of the Birds and Animals (Reprinted edition), Paul Goble, Long ago, when the world was still quite new, buffaloes used to eat people. It's true! The hair on their chins is hair of people they used to eat! It's terrible to think of those times, but the Creator saw people's distress and decreed that a contest be held between all the Two-legged and four-legged creatures. Who would win, thundering Bufalo or fleet-footed Man? None of the other animals was fast enough, and before the end, Beaver and Muskrat slipped off into a cool stream, Jack-rabbit hopped off across the plain, and Mole and Gopher tunneled underground (and may still think the race is on).The winner was decided long ago, in Sioux and Cheyenne legend. Buffalo--who lost--agreed to give up eating men for dinner, and thanks to the cunning of a single magpie, Man became the guardian of the natural world.
