

How To Be #SocialMediaParents Aware Online, Present Offline

By Dr Brian Foreman

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 110 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. How To Be SocialMediaParents is a practical guide for parents to better understand social media and how their children are using it. Children as young as 13 are allowed on Facebook, but there are some parents giving access even earlier. Game Center on Apple products allows children to connect with anyone else on Game Center, regardless of age. How does a parent decide what is right for and with their family How does one implement the family policy without making everyone miserable How to Be SocialMediaParents is a resource to help with those decisions. The focus of this book is two fold. The first is to help parents better understand the technology available to their children. The second is to help parents better understand their teenagers. By learning about how teenagers develop and communicate, parents can also have an appreciation for why social media is such a draw for their teenager. Social media is a new playground for identity formation, exploring the world, and making new friendships. While the playground has been updated for teen relationships, parents are...
