Oxford University Press, United Kingdom, 2014. Mixed media product. Book Condition: New. 260 x 192 mm. Language: English . Brand New Book. Endorsed by Cambridge International Examinations, the Essential Science for Cambridge Secondary 1 series provides complete curriculum framework coverage for Stages 7-9. It has been written by an experienced author team and provides a seamless link into Cambridge IGCSE, maximising students potential. The three separate Stage 9 books covering Biology, Chemistry and Physics offer greater flexibility for teaching the separate sciences. The Chemistry Student Book provides accessible content to engage international school students from a wide range of backgrounds. Scientific enquiry material is integrated throughout, with practical activities to develop the required skills. Learning outcomes at the start of each spread are matched to the curriculum framework and let the students know what they need to learn and understand in each topic. Practical activities get students involved and put science into everyday contexts. Key terms are highlighted in the text and pulled out into clear boxes to emphasise importance and help understanding. Each chapter concludes with examination-style questions, preparing students for the checkpoint test and introducing them to IGCSE-style questions. The CD-ROM included with the book contains engaging interactive learning exercises covering key points of the curriculum framework, test yourself revision material, and sample examination style answers and feedback.
